

Border collie club of great Britain, bitches

I would like to thank the committee for their kind invitation to judge and their hospitality, thanks to my stewards and exhibitors for their entries.

A number of decisions resulted in splitting hairs to make my final choices; I was delighted with my winners and extremely pleased with my final line up.

My co-judge and I were in full agreement with the final honours and the referee wasn't needed. - Richard Lucas

Minor puppy bitch (14 – 1a )

1.-Turner/Alexander -Locheil back in black. - Just 6 months old, dark girl so much to like about her. Beautiful head and expression, balanced in profile, correct construction, covered the ground well.

2.-Wiltshire- Caleykiz Starfael Wikid Rhythm. – Classically marked youngster, alert feminine head with lovely expression, good angulations and moved out well with her handler.
