

## Border Collie Club of Great Britain Championship Show

Sunday 18th March 2018

First of all can I say a massive thankyou to the BCCGB for inviting me to judge their wonderful championship show it was such an honour. Fantastic organisation by all.

Again the catering team put on an excellent menu for the day. So well done and thankyou to everyone on the committee for organising such a lovely day for everyone.

I would like to thank my Steward Jacqueline Walker who did a very good job on the day and a Big thankyou to all exhibits who gave me an entry. I had a total of 90 dogs making 117 entries unfortunately due to the adverse weather conditions that has hit the UK recently understandably not everyone could attend the show. Thankyou again to all who had entered.

I had some lovely exhibits and on the whole were presented well.
