2nd Domotori, Miss A, WILD STORM BEFORE YOU GO, 7 months old, a finer bitch than 1 still a little raw and unsettled. Pretty head and expression, needs time to widen in front, just at the leggy phase.

PB (6/1)

2nd Fawcett, Miss H, LACEWAY DEJA VU, a very appealing young bitch with a pretty feminine expression, excellent proportions when viewed in profile, excellent neck of good length, could use her ears more to advantage, I'm sure she will come on in confidence with more time in the ring, a lovely front assembly with good length to upper arm, well laid shoulder and return, ribs nicely sprung for her age, a real future prospect, I really admired her unexaggerated and balanced profile coupled with an air of elegance.

SP OB [AOC] (3/0)

1st Fawcett, Miss H, JANBELL OUT OF THE BLUE AT LACEWAY, Nice length to height ratio, neat feet, stood on straight columns with good bone, best mover in the class, I would have liked a little more angulation in front, but she had plenty of drive with well angled rear quarters, and well let down short hocks, another bitch to have an excellent croup, which was missing in a lot of bitches today,

2nd Allison, Miss W E, ZEABO YANKIE GIRL (IMP ITA), Pretty feminine head, she had excellent ears and typical expression, lovely neat feet, her neck is well set on and well laid back, tail was carried correctly, unfortunately a little unsettled on the move.

2nd Tansley, Mr B J & Mrs V M, BILYARA ICE MAIDEN, a very appealing typy looking bitch , with such a gentle, soft expression, she is well off for bone, although her feet were a little round, nicely short coupled, excellent Daisy-cutting action on the move, but not quite the showmanship and drive of first.
